

CHAPTER 10. BUILDING SAFETY DEPARTMENT

CITY ORGANIZATION AND MANAGEMENT

10. BUILDING SAFETY DEPARTMENT.

10.01. Establishment. There is hereby created the department of building safety. The department shall administer and enforce the building code, housing code, and any other codes or ordinances, which may be assigned to it by the council.

10.02. Organization. The department shall be composed of those division managers, inspectors, plan reviewers, and other supporting personnel that may be required for the effective enforcement of the various codes and ordinances, which are assigned to the department by the council.

10.03. Director of Building Safety. The council shall appoint the director of building safety to serve at its pleasure and to manage the department of building safety.

10.04. Duties of Director. The director of building safety shall serve as Building Official for the city, supervise the employees of the department, and be responsible for the performance of all the duties and the responsibilities assigned to the department by the council.
